CANDID Tamara!

Last week I lived out one of my sexual fantasies by having my first lesbian fling. I am temping as a maid and I was sent to this big house in London.

When I arrived I knocked on the door to be greeted by the sexiest woman I have ever seen. She introduced herself as Jane.

When she'd shown me what had to be done, she left for work. After a hard morning at it I was finally finishing up. I only had the master bedroom to do.

While making the bed I came across a 10 inch black vibrator under Jane's pillow. I could still smell the scent of her cunt on it.

I started to fantasise about Jane using the vibrator on herself and on me. I lay on the bed, shut my eyes and started to wank my clit. As I rubbed myself up into a frenzy I imagined Jane stuffing every last inch of the big black vibrator

up her cunt. My breath quickened as my rubbing became more frantic.

As I was about to cum I felt hot breath on my pussy. I had not heard the key in the door and now Jane was kneeling beside the bed with her tongue ready to lick my wet hole.

I was a bit shocked and I went to close my legs, but Jane stopped me and smiled.

She started to lick my clit with her wicked tongue.

Then she started to finger me, working one and then two digits up me until she was finger-fucking me with three fingers.

I started stroking her long blonde hair and then I thrust her head into my cunt and held it there until I came into her mouth.

With my cum dripping from her mouth, she stood up to remove her suit. I could not take my eyes off her sexy body and shaven cunt. Jane lay down on the bed beside me in the 69 position and I edged

nearer to her cunt. She was beginning to moisten and I could smell her juices. Being a muff virgin, I was a little bit scared.

Jane picked up on this and reached down to thrust my head into her cunt, which was now dripping. I tentatively began to lick her pussy.

I found that I really liked it, and as she pushed my head further into her minge I began sucking away like I'd been doing it for years.

As I licked Jane's clit she started to rub my cunt with her vibrator.

It was an amazing sensation having another woman pleasuring me for the first time.

Within seconds I was cumming all over the place. Jane then switched it to full power and plunged it inside me.

She started fucking me with it, sliding it in and out of my gash while circling my clit with her thumb. Then I came again and it gushed over the vibrator.

This sent Jane over the edge with pleasure and she just could not stop cumming.

I lapped up her

juices like a pussycat.

After hours of

licking and fucking each other with the vibrator we lay there exhausted in each other's arms.

As I was leaving, Jane kissed me on the cheek and said she would be booking me again.

All the way home, my pussy was leaking juice at the thought of the fuck I'd had.

That night I told my boyfriend who was hugely turned on. He promptly got me dressed up and took these photos before giving me a fucking good seeing to!

Tamara, Middx.

Tindra, it turns out, hails originally from Iceland, and we don't mean the shop that's good for oven chips. So what do Icelanders do to keep themselves warm, we wondered, when they're not sitting around eating decomposing shark and listening to Björk?

"Well first off, it's Björk, you berk! And actually I've never eaten rotten shark in my life. But as for what we do to keep ourselves warm, well isn't it obvious? After all, those long nights are just perfect for some hot action in the sack!"

Mmm, roll on winter then!

Happy Campers

While driving to Yarmouth caravan park I pulled into a garage to get some petrol when a young girl came up to me and asked if she and her girlfriend could have a lift. Being a 42-year-old red-blooded (although married) man and the girls in the shortest mini-skirts I have ever seen I agreed. As we drove along I found myself looking at more leg than I have in years. A sports car driven by a girl passed by and one of the girls Sue said that a flash car meant dirty knickers. I said didn't she mean fur coat and no

knickers. "Well I don't wear fur and I've got no knickers," she said. "With that short skirt you must be joking," I said, but when she pulled my hand off the gear knob and thrust my fingers into her hot juicy pussy I knew it was no joke. For the rest of the journey down to the caravan park, the girls changed gear for me while I finger-fucked both of them. When we got to the site the girls asked me if they could stay with me for the weekend as they'd like to fuck my brains out. Inside the caravan, I looked them over.

Sue was blonde and slim with DD tits, Ruth was darker with small boobs. They went into the bedroom and soon I heard my name being called. I went in and pulled back the quilt. There they were both starters. Sue was flat on her back

and Ruth was giving her pussy a good licking. I put my cock in Sue's mouth and she licked it up and down, pushing her tongue into my slit. Then we changed round with me sucking out Sue's cunt while Ruth sat on her face and got licked out. Ruth told me to get between Sue's legs and I inched my cock into her cunt all wet. Her pussy was so hot I had to keep pulling out to stop from cumming and I used the head of my cock to stimulate her clit. Ruth put her own face down on Sue's tummy, looking at my cock which was going in and out like crazy of Sue's cunt. I pulled out and spunked all over Ruth's face. Sue couldn't see so I gave her a commentary. "Sue, I am cumming all over her face and she is loving it! She's covered in my white muck!" The more filth I spoke the harder I came. I had never shot that much before. I sat on the bed and watched as Sue licked Ruth's face, her tongue scooping up big blobs of spunk.

Patrick, Beds.

"I really hope my mum doesn't ever see these pics!" frets Charlie as she sets about peeling off for this shoot.

Well, she's probably not our target audience, and yes, perhaps she'd be a bit taken aback to find out her daughter was getting her bits and bobs out in Escort!

"No, it's not that — she knows I do a bit of modelling and she's fine with that — it's this sofa! She's had it for years and is always paranoid about keeping it clean. If she saw me frigging on it she's go ballistic!"

Well we won't tell if you don't!

Dune Tuggy!

My husband and I like to go to our favourite nudist beach whenever we are free and the weather is looking good. He doesn't like to strip off in public, but I certainly so. He just loves to go along and see other guys stare at my naked body, and of course with me being an exhibitionist, I bloody well love it!

The serious naturists all stick to the beach, but we like to go into the sand des where all the single males hang out. There is a wide entrance to the dunes from the beach area, and it's here that all the guys like to walk up and down hoping to see a thing or two. We find an area in full view, and I remove my clothes.

I'm not one or sunbathing so my skin is very fair. This, along with my unshaven (but trimmed) pussy stands out among all the other tanned naturists. I lie down on a towel, but then decide to

take a walk to the see and back so they can all get a good look.

When I return my husband has the sun cream ready and I notice that a number of guys have positioned themselves across from us. Not wanting to disappoint I lie down so they all have a full view of my pussy. I also open my legs, displaying my labia. By now a number of guys are playing with their cocks, and some of them are walking past, stopping when in clear view of my now soaking wet pussy. This blatant ogling always turns me on like you wouldn't believe.

We decide to go for a walk in the dunes, knowing full well that we will be followed. At the top of the dune there's an older guy stood up, watching us as we get closer. I have a real thing for older guys, and he has a gorgeous semi-erect cock. We decide to ask him if he'd mind taking

a picture or two with my husband's phone. He gratefully accepts, making a comment about not seeing too many natural

pussies on the beach any more, and how he loved mine.

After he returned the phone my husband asked if he'd like to come and watch me masturbate. Even though we'd been discussing this fantasy of mine on the way to the beach I was still taken aback when he said this. My heart was racing as my husband led the way to a shallow basin in the dunes. I looked round to see the older guy following, but

also several other men.
There must have been about 12 of them, all eagerly heading our way.

Once there my husband kindly laid down a towel for me to lie on, which I did. My heart was still pounding but the anticipation, and the arrival of the other guys, had my pussy throbbing and my legs we soon wide open with my fingers running over my soaking wet clitoris. Nobody uttered a word, but they all formed a circle around me and started to wank themselves off. The size of the guys' cocks varied greatly, but I loved watching each and every one of them as I continued to play with my pussy. Needless to say, it wasn't long before the most incredible orgasm ever ripped through my body.

One by one the guys shamelessly came all over my body. I was covered in hot cum and I fucking loved it! There was one quite elderly man still frantically wanking away at his

tiny cock. I kneeled up to him and took over, grabbing his balls with my other hand as I pumped his shaft. I could see that he was about to cum, so I took his cock in my mouth, and I swallowed every last drop of his seed, which was quite a lot considering the size of his cock and balls!

Soon after that my husband and I left the dunes and headed back to the car, both feeling incredibly horny and thinking about our next fantasy of a gangbang in the dunes. We can't wait until summer arrives!

Susan, Leeds.

Carla

It's funny just how many models in this business end up with surnames that are variations on the theme of 'Cox'. Carla here's a classic example – it's almost like they've only really got one thing on the brain...

"Well I guess I do think about them a lot!" she laughs. "Whenever I meet a new guy, almost without being able to help it, I find myself wondering if he's got a nice big cock! Of course if I really fancy him it doesn't usually take too long for me to find out the truth!"

Cleo

It's always nice to welcome a new face to the mag, and Yorkshire lass Cleo here's really been filling her boots since she realised just how kinky she was last year...

"Aye, I suppose I have! I've always had a keen interest in sex but last year I thought I'd finally take the plunge and start living out a few fantasies. I'd always wanted to have a gangbang but was too nervous for ages, but I've finally bitten the bullet. Nothing gets me wetter than being surrounded by horny guys all desperate to spray me with their hot cum!"

We're very glad to hear it. In that case, carry on, Cleo!

ANNA

It took us a moment to recognise her, because when Anna last popped into Escort over a year ago she was a brunette, but now she's gone all blonde on us! Still, you don't forget a pair of boobs like those in a hurry, and we soon put 34DD and 34DD together and twigged it was her! So why the change?

"Well, they say gentlemen prefer blondes, so I thought I'd give it a try – simple as that!"

And has it worked so far?

"I think that, being blonde, you probably turn more heads when you walk into a bar, which is always good start! Mind you, a lot of the guys turn out not to be exactly gentlemen. Still, I think I prefer it that way!"

ANNA

Daria looks a bit sporty in those socks, doesn't she? We bet she must be quite a handful on the netball court...

"Actually hockey's more my thing, although I did play quite a bit of netball when I was younger. I play for a team that went on a little tour last year and, well, the lads in a town when a girls' hockey team come to play had better be on their guard. I shagged four guys, but our goalie... well, let's just say she couldn't keep anything out that week!"

REAL WIFE SEX

Tina doesn't mind being in Generation Rent!

"I noticed how much heat radiated from his cock as I kissed my way up the shaft..."

It was one of those freakishly hot days we had last summer – at least 80 degrees outside and almost as hot inside. The 'air conditioner' in my house had decided to pack up, so my landlord had promised to buy a new part and fix it that day. Fed up of waiting around for him, I decided to take a shower in the hope it would cool me off. As I was rinsing the suds off my body, I heard my landlord yell, "Hey, Paula, it's Daniel! I got the air fixed, but I'm going to wait around for a bit to make sure it works."

Even though he regularly let himself in, I jumped upon hearing his voice – but was excited at the prospect of him hanging

day I look at this house, I was impressed – not just with how nice the house was, but also with how hot the landlord was. He stood about 5'10, had muscular arms and sexy blue eyes; I made my mind at that moment to have the house... And the landlord! Since I moved in, I periodically called Daniel over to fix things. Whenever he came around we would flirt outrageously, but he was a perfect gent, and I was too shy to say anything. That is, until that particular day. I decided that I was going to show him exactly what I wanted fixing – I was hot in more ways than one and Daniel himself

around and wondered if he would finally make a move on me.

The first came to

was what I needed.

Wrapping a towel around me, I stepped out of the bathroom and found Daniel leaning against the wall outside, with a cheesy grin on his face – but all I could see was his beautiful, naked chest. He had been working all day without his shirt on and I was getting a close-up view of his tight, chiseled abs. Feeling my knees go slightly weak, I smiled and sheepishly said, "Hi" as I fought the urge to run my hand down his glistening chest. Once again my shyness was taking over, so I waited to see what he would do. I didn't have to wait long; he stepped forward and whispered softly, "You are so beautiful."

I blushed as he put his hand on my cheek, and felt butterflies in my stomach. What was wrong with me? I was thirty years old and felt like a schoolgirl as we stared into each other's eyes!

He leaned forward and kissed me on the lips. I felt myself melt and as I ran my hands

over his smooth chest, my towel slipped to the floor. Mildly embarrassed, I went to grab it but he stopped me by enveloping me with his toned arms and kissed me again, his tongue exploring my mouth as his hand wandered down to my perky breast. By this time my nipples were swollen and aching to be touched. I pulled away from him and, grabbing his hand, led him to my bedroom.

Stopping short of the bed, I turned around and pulled him in close. Sexily, I began kissing his lips and then worked my way down his neck. His skin smelled of sweat and I felt my temperature soar; I have always loved the scent of a man after a hard day's work. As I kissed and licked down his chest towards his nipples, I began rubbing my hand over his crotch, fingering the outline of his hard prick through his jeans. I was ready to get them off so I could see what awaited me – I could feel his member pulsating and yearning to get out. Looking in his eyes as I sat on the bed and unbuttoned his jeans, he smiled as his cock struggled to be freed. It was beautiful and I couldn't wait to wrap my mouth around it.

Pushing his jeans and boxers to the floor with one hand, I took his cock in the other and grinned up at him. I noticed how much heat radiated from it as I began kissing my way up the shaft, working my tongue

around the girth then sucking the tip before taking his whole cock in my mouth. We soon found a rhythm – me sucking hard as he moved his cock in and out, fucking my mouth. He let out a loud moan as I gently massaged his balls. His cock felt so good in my mouth I didn't want to stop, but he suddenly pulled my head away and told me it was my turn...

Pushing me back on the bed, he pulled my legs apart and knelt between them and as my clit throbbed with anticipation, I realized just how wet I was. My pussy tingled as he began licking my labia, all the way up to my swollen nub. As he sucked away and

from my crotch and a wicked glint appeared in his eye as he watched me stretch out like the cat that got the cream.

"Damn, Paula, I need to get inside you," Daniel told me as he crawled up and positioned himself between my legs, his hard cock rubbing on my thigh as he kissed my lips. Reaching down, he guided his thick tool into my pussy, making me gasp as I felt him fill me up entirely. He felt so good that I couldn't help but moan continuously, and as he pumped harder and harder, my breath came out in short bursts. Then, quite suddenly, I felt my muscles begin to

"He pulled my legs apart and knelt between them as my clit throbbed with anticipation."

flicked it with his tongue, my legs started to shake and, the sweat running down my back, I let out an involuntary moan. Daniel glanced up momentarily; a huge grin plastered on his handsome face, then continued to work his magic between my legs. I groaned loudly as the energy built up inside me and, as my body shuddered and my fanny twitched, I reached the best climax I've had.

A few moments later, his head emerged

tighten round his cock and waves of pleasure wash over me as I released the tension of my second fabulous orgasm.

Daniel still had plenty of fuel left in the tank, and I came several more times before he was ready. When he finally he shot his spunky cream into me and I felt his hot liquid filling my cavity, I was completely and utterly satisfied. So much so, we're still seeing each other. My landlord certainly knows how to keep this tenant happy!

Shiver me timbers! I'd always thought pirates were meant to be horrible looking blokes with beards and peg-legs, but Caroline here's putting a very different spin on all that!

"Ah-ha! Well I've heard there were women pirates as well, and I bet they had a fantastic time of it, buccaneering around the seven seas getting up to all sorts of mischief – it would have been a lot more fun than most women had in those days!"

Possibly so, until they were caught, and, well, hung!

"Well hung, did you say? I bet those pirates were! One way or another, I bet there was a lot of jolly rogering going on!"
